Foreword

As we come to the end of an era at Chattanooga High School, we reflect on years past and especially this last year—our year. This year we have a double graduation, for as we graduate, CHS will also graduate. Chattanooga High is moving to a bigger and better future. Within these pages are contained the memories of one wonderful year—the activities that enlivened us, the games that were a part of us, the students that were all of us.

Peo

Never to be forgotten are the friendly smiles and faces at CHS. Days were brightened by warm friendships and acquaintances. Our beloved faculty will remain in our hearts, for they guided us with enthusiasm and inspiration. We will never forget the wonderful people that were a part of our lives—the people that were all of us.

Faculty

Members of the Class of 1963:

"By their fruits ye shall know them." Ideally, the fairest criterion of evaluating a school would be an evaluation of its alumni, if by some magic means we could determine the relative influence that particular school had on the lives of those alumni. Through the years the record of Chattanooga High School continues to elicit our admiration. Numbered among them are scholars, outstanding scientists, responsible public officers, business leaders, and successful men and women in all walks of life. In this school we strive for intellectual integrity, for civic and patriotic virtue, and for the development of well-adjusted students.

You have been an important and vital part of City for the past three years. We hope that you have benefited in full measure from your sojourn with us. We believe in you and have full confidence that you will do well your part for your community and country.

Classes

CLASS OF 1963

Leading us through our final and most unforgettable year were Jock Walker, president; Mary Jane Thomas, treasurer; and Ann Collison, secretary.

Our long-suffering sponsor, Miss Pryor, spends much of her time explaining.

Being a senior is unforgettable. There is reminiscence; there is hope. With a final backward glance as we graduate, we see ourselves as we will never be again. We have experienced candy sales, exams, report cards, houseparties, honors, achievements, and disappointments. There is a sudden emptiness as we leave behind friendships which have been knit by common experiences of work and fun. But in looking ahead with hope, we take much of CHS with us as we grow to greater maturity.

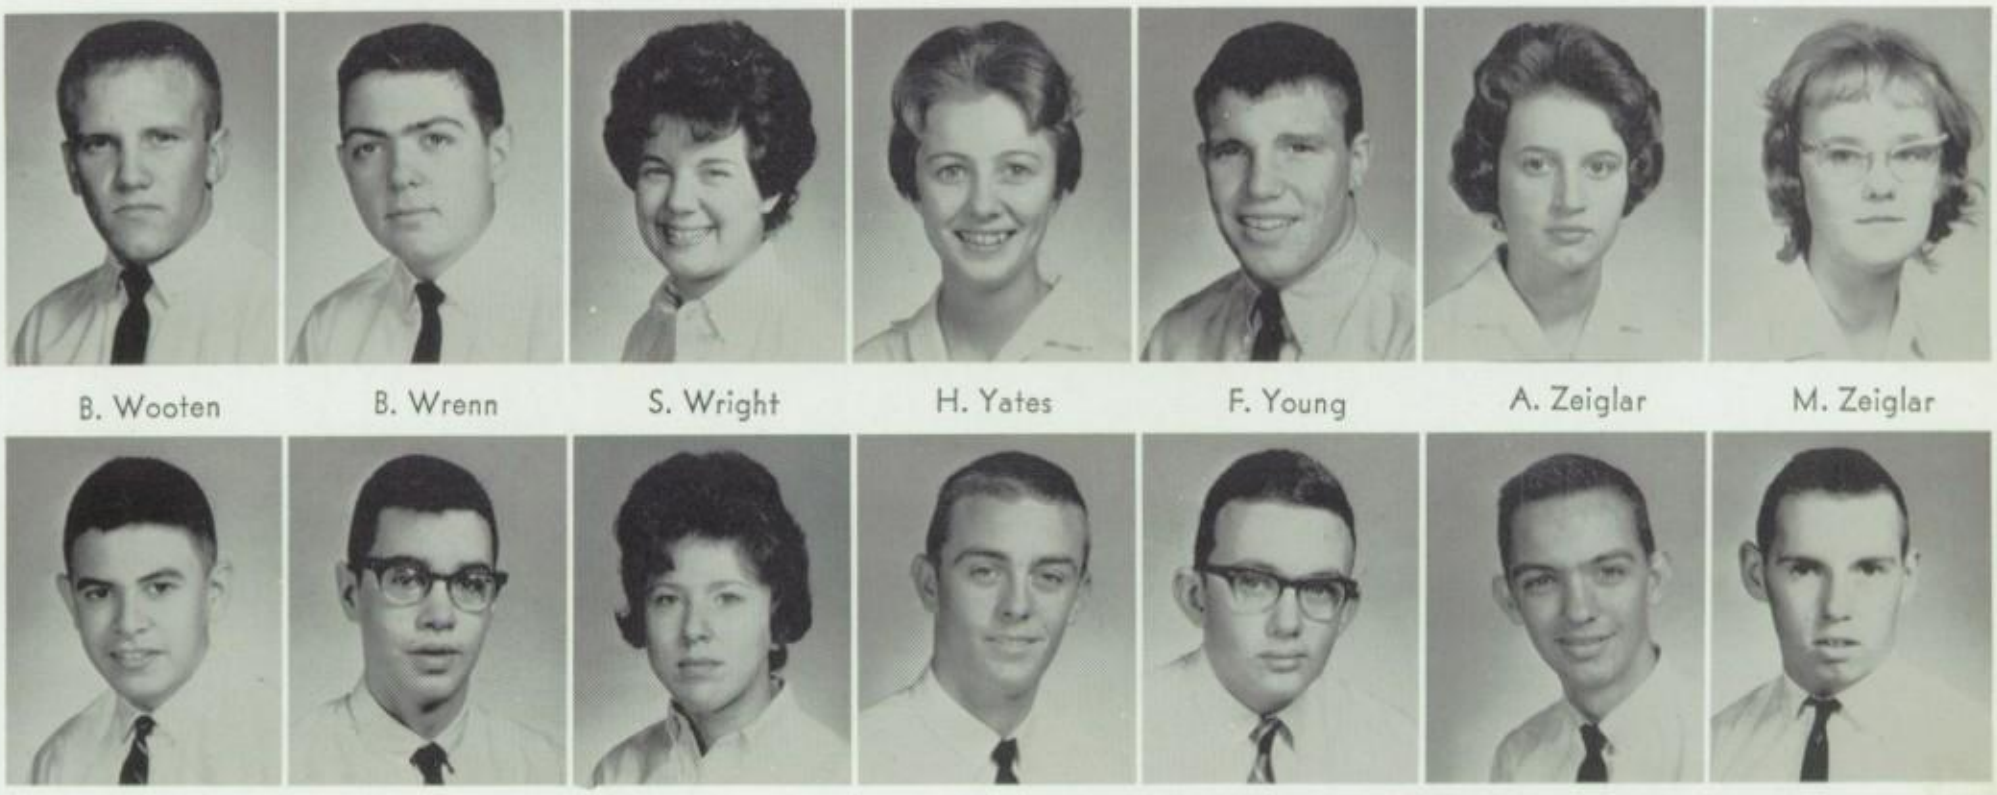
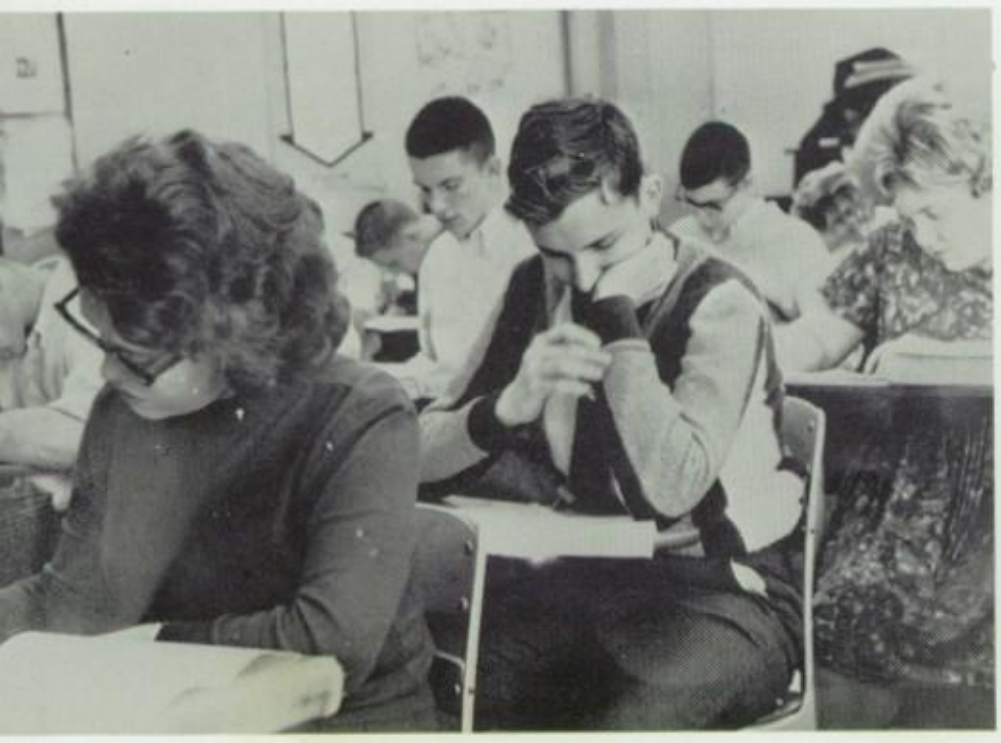
Jolly Juniors



RO is rough on Juniors.

Select dancing group at CHS: THE DYNAMOLES.



Juniors are industrious . . . sometimes!

Class of 1965

Left to Right: Danny Hagaman, vice president; Jimmy Whitson, president; Sally Altman, secretary; Mike Sherrell, treasurer.

The Class of '65 got the year off to a big start with the election of class officers. Under the direction of these new leaders and their class sponsor, the sophomores soon began their first year of service to CHS.

As their main project, the sophomore class had responsibility for the care and maintenance of the coke room. They also began something new at City by starting a Sophomore Council with representatives elected from each homeroom.

The Class of 1965 displayed their many talents in a talent program and through the Sophomore Choir. They also served the school in their presentation of the annual Thanksgiving Program and through their constant school spirit.

As the largest class at City, they should certainly be successful in the years to come.

The class sponsor, Mrs. Rushworth, works hard on all class activities.

Sophomore Party: Sophomores in full swing.

The fall season was gaily hi-lighted by three informal parties: the Get Acquainted Party, sponsored by the Junior Class to which all three classes were invited; the Sophomore Party, given for the Sophomores; and the Harvest Festival, sponsored by the Senior Class for all CHS students.

The festivities of the Get Acquainted Party and the Harvest Festival were climaxed by City's own fabulous King's Men.

Contestants eagerly await the announcement of the winner of the contest for the Best Dressed at the Harvest Festival.

Where are you going, Ellen?

What's cooking, Anna?

At CHS, there is a vast amount of talent, both hidden and displayed. Each year, this talent is shown to the entire student body in three assembly programs presented by the three classes. Viewed by the students are songs, dances, and skits, which prove that there are at least a few talented people at CHS.

The King's Men: C. Alsobrooks, B. Davis, B. Romick.

Dynamo Defeats Maroon & White

Contrary to the **Maroon and White's** headlines, the **Dynamo** slaughtered the **M & W.**

The action was swift in the first half when the **Dynamo** easily strolled across the goal line. Hard as they tried, the **M & W** was unable to gain any yardage against the ferocious **Dynamo.**

A spectacular half-time performance was given by the drill squad when the new members of the boys' service clubs marched in straight lines up the field. The performance was climaxed by the crowning of the handsome king, Glen Smotherman. The excellent defensive and offensive playing of the **Dynamo** enabled them to win a 13-0 victory over the **Maroon & White.**

Sophomores Present Thanksgiving Program

Presentation of baskets.

On Wednesday, the day before Thanksgiving, the sophomore class presented their annual Thanksgiving program to the student body.

Before the presentation of the baskets of food, the sophomores presented several skits. The glee club sang some Thanksgiving songs, and the sophomore football boys and cheering girls staged a "still" football game.

The program was climaxed with the presentation of one or more food baskets from each homeroom and the clubs for the needy families of the Chattanooga area. These baskets were decorated and filled under the sponsorship of the Junior Red Cross. As the last of the baskets were brought to the stage, the entire student body sang "We Gather Together."

Christmas Program Presented by Seniors

Seniors prepare fruit and candy for the Christmas stockings.

December the twentieth held much excitement for all seniors and many children from Chattanooga's orphanages. The day began with regular classes, but by eleven o'clock the halls were filled with happy children and seniors.

The children visited the various classrooms and later the whole school went into the auditorium for an entertaining program by the seniors.

Santa, played by Bobby Davis, thrilled many of the children by talking to them personally. A beautifully decorated tree fascinated everyone.

"Stick 'em up! I've got ya covered . . ."

Johnny Pack, Jack Youngblood, and Allan Walton entertain the orphans as toy soldiers.

Mary Huddleston portrays every girl's dream as a ballerina doll.

Spring Formal

Sponsored by Student Council

On March 30, the Student Council sponsored a Spring Formal to which outside dates could be invited. The formal was held in the new gym from the hours of 8-11; music was furnished by the Silvertones. Of course, the theme was "Spring Has Sprung."

There's fun as well as HARD WORK that goes into the makings of a good Spring Formal.

Amidst the beauty of the decorations, the Silvertones play for the dancers.

Kleenex flowers add a touch of beauty to the gym. Judi Boswell, Anne Wilson, and Rena Horton fluff flowers.

Junior-Senior Prom
"A Fantasy of the Sea"

After weeks of planning and days of hard work, the Junior Class succeeded in changing the gym into an underwater wonderland to carry out their theme, "Fantasy of the Sea." The prom was held on May 25, and despite the spring showers, many couples attended our last dance.

Although most people danced, there are always the talkers.

Volleyball Team

"Help it over" is often heard from a despaired teammate during a volleyball game. The girls who are on the team practice sixth period every day. Any girl who is interested in playing volleyball may try out, but since there is such an overflow of girls trying out each year, Mrs. Rodman divides the girls who don't make varsity into the "B" team.

Volleyball is a game that requires much practice and hard work. This is what Mrs. Rodman, their coach, expects of them.

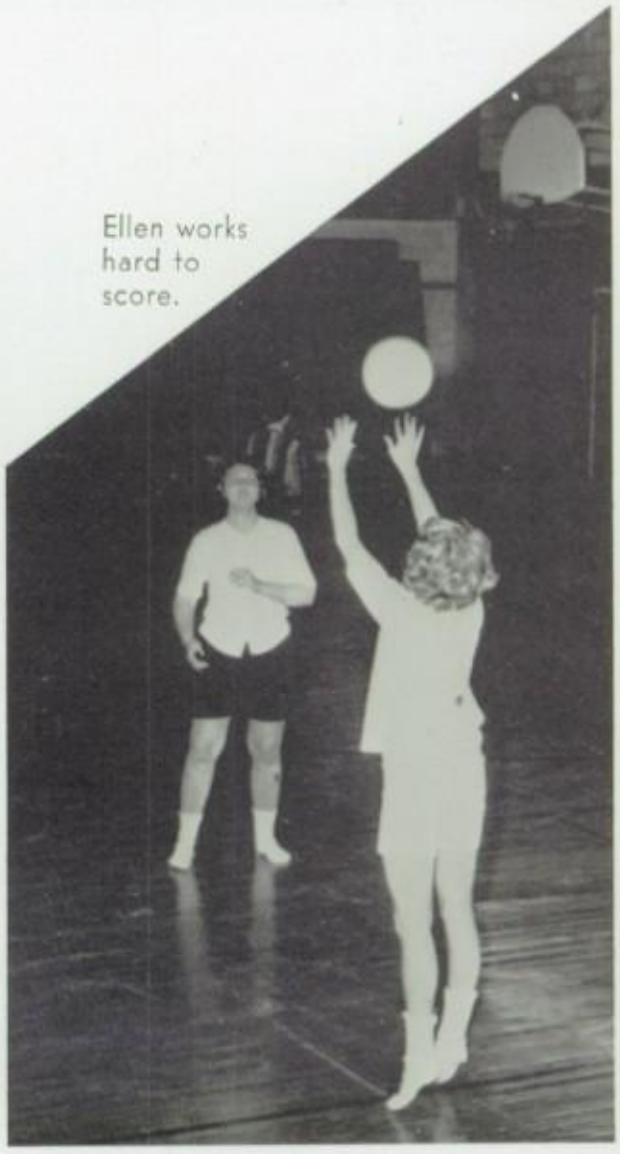
The competition for CHS is always tough, but the team has attained a winning record this year.

Members of the volleyball team are: **Row One:** Lassie Colburn, Ellen Steffy, Sandra Sullivan, and Kitty Gilbert. **Row Two:** Susan Kampmier, Jenny Dynesius, Carol Ewton, and Vicki Waitt. **Row Three:** Marjorie McClain, Rosie Higdon, Linda Long, and Carolyn Massey.

Don't hold it, Kitty! Hit it!

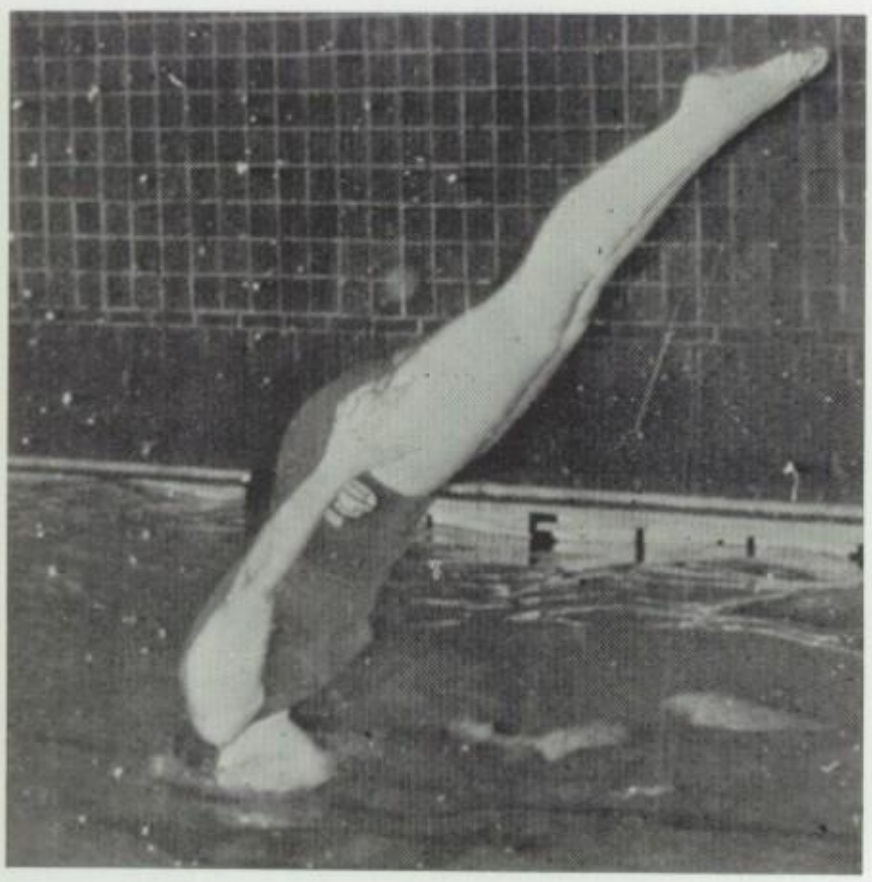
Setting the ball up is an art in itself.

Ellen works hard to score.



CHS Swim Team

The champs! Higdon and Tabb get ready for a tough workout.



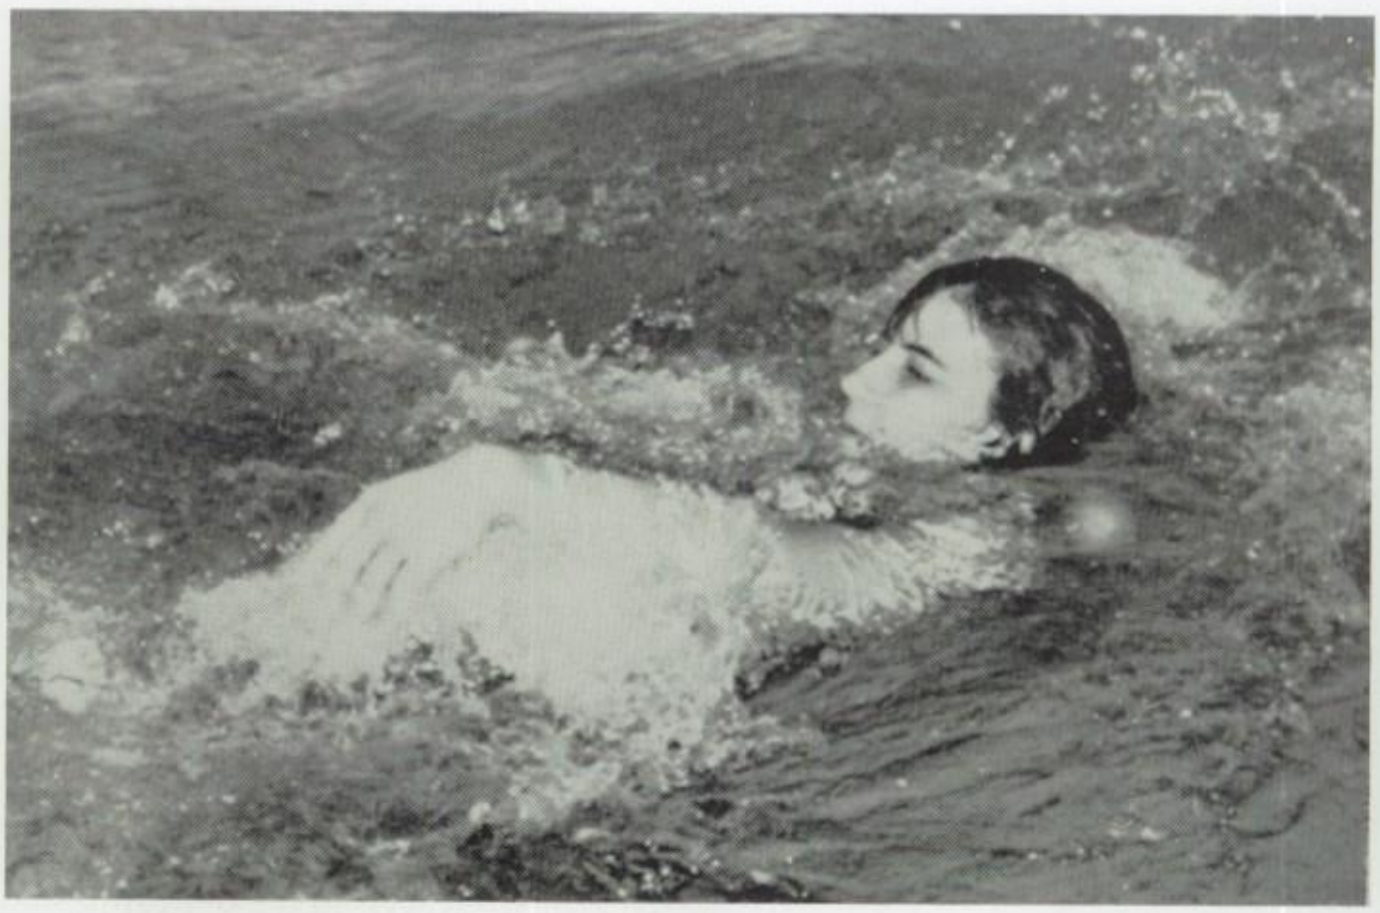
Tabb's internationally famous head stand is performed during a workout.

The City High Swim Team, as a whole, owes its success to the hard work of its individual members. The team itself took trophies and medals in the girls' swimming meet.

The intramural swim meet was held in the fall this year. Champions in the different events were Linda Long, Susan Tabb, and Rosemary Higdon. The different events swam were: 50 meter breast stroke, 50 meter back stroke, 50 meter butterfly, 50 meter freestyle, 100 meter individual medley, 100 meter freestyle, and 100 meter butterfly. Linda Long and Kitty Gilbert took top honors in the diving competition. The entire team worked under the coaching of Mrs. Rodman.

A moment of extreme tenseness.

Higdon battles to grab another first.



Dynah Net Champs

Net champions are, **First Row:** Sharon Ney, captain; Ann Gammon, Sharon Samples. **Row Two:** Linda Long, Alison Duffy, Janice Crouch, Sherry Weekley, and Paula Morris.

Samples exhibits her winning form.

The tennis team, as the swimming team, owes its success to the individual work of each of its members. This year the Dynah Tennis Team is made up of eight girls who have been working at the Tennis Club during the fall and spring. The members are led by Sharon Ney, captain. Other members are: Ann Gammon, Sharon Samples, Linda Long, Alison Duffy, Janice Crouch, Sherry Weekley, and Paula Morris.

Matches are held against G.P.S. and other schools.

Gammon loses to Ney.

Again?

Not again!?

The Drill Squad, known as the Dynamettes, is composed of 128 girls and 12 officers who march at football games and in parades during the year. They begin work in August and continue working every day fifth period during the first semester.

This year a film was to be made for rental purposes of the Drill Squad. It will be available anywhere in the United States, and will feature the sixty-four best members and the twelve officers.

Each year a group of approximately thirty-five girls is chosen by Mrs. Rodman to assist her in her activities as gym teacher. Some of their daily duties are checking the roll, organizing class activities, and keeping order.

Throughout the year the Gym Managers organize and participate in money-raising campaigns for the Dynahs.

In the spring the Physical Education Department presents May Day, in which the Gym Managers are featured. Each girl is honored as a member of the May Queen's court.

CLASS OF '64 64
SCHOOL Chattanooga High Chattanooga High
CITY Chattanooga Chattanooga
STATE Tennessee Tennessee

Dear Jan,
If you're as big a character next year as you are this year, I don't know what the school's going to do!
Best wishes from a wire to a bone,
Ann Hilson

Best of luck to you (and all you do (and acting!)) You're a real great guy and I have enjoyed knowing you. May we always be best of friends. Never forget Miss Pryor and the Jr. Play!
Mike

Jan,
Good luck to you and your talents.
Stay out of trouble if you can
Mc Coghi

Jan,
Lots of luck to a gentleman. Remember, it's safer to have me riding with you than to fix my flat tires. (Ha Ha)
God bless you
Shirley Jackson
"Optimist"

Dear Jan,
I have often wondered what I would have missed if I hadn't been in the Junior Play.
For one thing I would have missed a great time. I also would have missed getting to know you. Jan, you are a brilliant boy, a fabulous actor and one of the funniest boys I've ever met.
Next year I hope we can work together again.
Best of luck always.
Love,
Lucy (Mrs. Cratchett)

Dear Jan,
To a wonderful friend and another band member.
May we always be good friends.

Jan,

You are a very talented boy and you are willing to work for what you want. You are capable of doing whatever you want to, and doing it well. You will be the only crud left here next year, so keep up the bad work.

Jack Youngblood

Jan,

You're one of the nicest and best guys a friend could ever know!

Bill Haggard

Jan,

Well, here we are at the end of another year. Boy, did we ever raise this year! Thanks for all you've done for me. Way you're going you'll be until you're not. Best wishes + Good luck!

David "Hag" Haglund

Jan
It's really
been a pleasure
knowing you in
school. I know it shall
bring happiness to the
future. Good Bless ya
Dave Allen

-MUSICIAN-

I could say all the
expected trite things,
but instead I think I'll
simply and truthfully
tell you it has been a
great experience knowing
you. I have great hopes
for your musical future,
a very successful one.

Love,
Meg

Jan, Serious
Besides ability you
have a great asset—
humility. That coupled
with your creativeness will
carry you far.

Unserious
From the time you
faithfully practiced your
trombone while we
rolled your back and
front yard until now
when you ~~talk~~ have
me around I have
thoroughly enjoyed
knowing you and I
always will.

Roberta

Jan,
To one of the
finer boys I've
known. Good
luck next
year.

Wanda Wright

Good luck Jan
Hope you have a
wonderful year
Lots of luck
Lots of happiness
Lots of success
Lots of everything
Sincerely
Dave Allen

To a good Musician*

best of luck, hope you
end up being a great (not a grate)
success. I'm sure you will.

Charles Casavant

*A term often misused but
in the terms of some of talent is
what I mean.

Jan, I have
nothing to do in History
so I'll write some more
loving words in your
little book.
I forgot to mention that
I have really appreciated
your kindness in more ways
than one. The fact that you have
been my (the) taxi driver all year
has proved your generosity. You
have made me smile at times
when I felt like crying. Thanks
Jan, for being a friend. You are
a gentleman. You, Jan, have
been like a brother to me, and
brothers are very dear.
Be good and
Don't "die"

I just learned how
to spell Chauffeur.
Oh, well.

P.S. I have
passed away ten
golden minutes.
A.P.

When you grow old and faded
and I hope that won't be
soon. I hope you'll play
on your trombone for
me a little tune.
As ever
Stinky

makes you
wonder don't it?

Jan,

You are one of the
finest people I know.
You are most talented and
keep moving upon. Keep up the
steady spirit of the band.
Best wishes and good luck.

David Rosado

Jerome!
It's been great
knowing you this
year as band, Good
more people! Best
of luck always!

Eddie,
Kathy Rose

Jan,
I'm sorry
I haven't had
more opportunity
to know you better,
but so far you're
proved to me that you're
genuinely a great guy!
Have fun next year...
especially in choir—
don't let Craven get
the best of you!

Love,
Carole

Dan,

Here it is again, time
to give everybody a brief
estiment of their like at CHS.
Next year is "our" year, and
as we think back upon
the good times that we have
spent in band, it makes
us sigh with relief that
there is but one more year
to mess up things in
school.

Although the year
has broadened our horizons
and helped each of us
a little farther down, to his
own particular destination,
let us remember that what
ever we do, do it good.
(Example. The first football
game of the year when I
messed-up.). You are the
best friend I have at CHS.,
and whatever I do, remember
we both have roads to
travel.

Thanks for everything,

Your Pal,
Dwonde

Dan,
Well, fella,
we have been
through a lot,
remember? I taught
you how to make
coffee, and a few other
things.

Jan, you have
more than an average
amount of ability;
more talents than
most people ever have
in a lifetime. Put
them to good use; never
waste them.

No matter what,
always remember how
much confidence I have
in you, and how smart I know you are.

You have made this
year a pleasure. I hope next year
we may be friends as we were
this year.

I love you, ILYMAYT
